About This Content

A 5th Edition Mini-Dungeon For 4-6 PCs Level 1

This lair is a seasonal home for a small group of goblinoid raiders that have been terrorizing the local region. If hunted by the PCs and tracked here, they retreat into the inside of this ancient complex (located 3-5 miles from the nearest trade route and community of any size).

5E Mini-Dungeons are small adventures for 5th Edition which are setting agnostic and are easily inserted anywhere in your campaign.
